Confirmed Fatalities in California Reported by CHHS:

<https://data.chhs.ca.gov/dataset/covid-19-time-series-metrics-by-county-and-state>

Office of Access and Functional Needs (OAFN)

- OAFN presented to the Harris County, Texas, Office of Homeland Security and Emergency Management to discuss access and functional needs considerations to assist with their emergency operations plan for older adults and individuals with disabilities. Remarks addressed COVID-19 response activities and the State's process regarding whole community integration.
- OAFN is coordinating with the California Department of Public Health (CDPH) regarding their COVID-19 vaccination program. Focused discussions continue around delivering vaccinations to individuals with disabilities who are unable to leave their homes.

Joint Information Center (JIC)

- CDPH released the most recent statistics on COVID-19 on September 28, 2021. This information may be found on the CDPH OPA News Release webpage here: <https://www.cdph.ca.gov/Programs/OPA/Pages/News-Releases-2021.aspx>
- CDPH received and responded to multiple media inquiries on COVID-19. The topics include:
 - Health care worker vaccination data.
 - CA Notify.
 - Wasted/unused vaccines.
 - MIS-C data error.
 - R.1 variant.
 - CDC maps shows California with lowest community transmission.
 - Weekend delay in reporting COVID case numbers.
 - Booster shots.
 - Medivolve testing site investigation/complaints.
 - At-risk work groups.
 - Workgroup recommends boosters.
 - Schools testing regardless of vaccination status.
 - Vaccination rates for first responders.
 - Purchasing contracts for COVID testing of state employees.
 - Staffing company contracted with the state.
 - Distribution of monoclonal antibodies.
 - Religious exemptions.
 - Kern County reported duplicate COVID cases.

Situation Report – For Official Use Only

Coronavirus Disease 2019 (COVID-19)

Report Date:

9/28/2021

Report Time:

1700

- Educating nurses on the importance of getting vaccinated for COVID.
- Vaccination recommendations voted on by CDC are not in alignment with FDA.
- Net reduction in COVID cases in Kern County.
- Vaccine mandate for health care workers.
- Testing vaccinated staff at schools.
- SLS Health Services contract with the state.
- Health care facility citations.
- Trends in COVID deaths by age and ethnicity.
- State workers citing religious exemptions.
- Supply of rapid antigen tests.
- California having the lowest case rates in the nation
- School outbreaks.
- COVID-19 data by ethnicity/county.
- Vaccination mandates
- Booster vaccines.
- Monoclonal antigen allocation.
- Vaccination data.
- HCW COVID-19 data.
- HCW vaccination data.
- School antigen test supply.
- The mean age of COVID-19 deaths.
- COVID pediatric death data.
- Monterey county transmission rates.
- Immunization registry access.
- Halloween guidance.
- Vaccinating children under 12 years old.
- SNF complaints/Long Beach.
- Pandemic predictions.
- Vaccine verification.

California Military Department (CMD/CNG)

California Department of Public Health (CDPH)

- MHCC received a total of 23,259 (+437) resource requests and a total of 41,217 (+233) inquiries from public citizens, local health jurisdictions, and healthcare facilities. The number of inquiries listed is a total of the Maximus Call Center and MHCC inquiry counts combined. The public phone number for incoming inquiries is 833-422-4255.
- Center for Health Care Quality (CHCQ) has received 10 facility program flex requests.
- CHCQ has received 11 salesforce requests.
- CHCQ will be participating in the reformed Multi-Agency Coordination (MAC) Group.
- CDPH continues to conduct the following conference calls to provide updates on COVID-19. Notes for these calls are regularly distributed via CAHAN as they become available:
 - A conference call for local health departments every other Thursday at 1300 hours.
 - A conference call for California healthcare facilities every Tuesday at 0800 hours.
 - A webinar on infection prevention for SNFs every Wednesday at 1500 hours.
 - A conference call for SNFs every Thursday at 1200 hours.

Guidance

- On September 23, 2021, CDPH released News Release: Joint Statement on FDA Authorization of Pfizer BioNTech Boosters via California Health Alert Network (CAHAN).
- The following guidances have been updated and/or posted to the CDPH webpage:
 - NSTR

Situation Report – For Official Use Only

Coronavirus Disease 2019 (COVID-19)

Report Date:

9/28/2021

Report Time:

1700

- CDPH released the following All Facilities Letter (AFL) via CAHAN:
 - On September 22, 2021, CDPH released AFL 21-37 BYD Field Action Notification. This AFL notifies all facilities that a subset of model DE2322 N95 respirator units that were distributed do not meet the National Institute for Occupational Safety and Health (NIOSH) criteria and should be returned to the manufacturer.

Department of Health Care Services (DHCS)

- NewsFlashes entitled "Supplemental Rate for Administration of COVID-19 Vaccine in Home Setting", "Third Dose for Pfizer-BioNTech and Moderna COVID-19 Vaccines Can Be Processed" and "Third Dose for Pfizer-BioNTech and Moderna COVID-19 Vaccines Authorized for Certain Populations" were published in the News area and on the COVID-19 Medi-Cal Response of the Medi-Cal website on September 21, 2021.

appointment is mandatory to receive a booster shot at Contra Costa Health Services vaccination sites.

Lake

- Hospitals and Skilled Nursing Facilities experiencing staffing shortages.
- OptumServe testing sites report steady volume.
- Mobile vaccination services operational. Current Vaccine and testing schedules are available on Public Health website.

San Francisco

- Staffing issues at all levels, but particularly in nursing have lead to decreased capacity in hospitals.
- San Francisco vaccination unit is preparing for the delivery of booster doses to additional populations as directed by CDPH.
- All San Francisco International Airport (SFO) airline, service, concession, and construction employees, including tenants and contractors, are required to be fully vaccinated against COVID-19. The mandate is the first for a U.S. airport. If on-site personnel are exempt, they must be tested weekly for COVID-19.

San Joaquin

- San Joaquin General Hospital and St. Joseph's Medical Center have both received medical staff from the state.
